Digital Library Content

Complete listing of *JIST* and IS&T Conference Proceedings - past and current issues, with unlimited downloads of full papers

IS&T has migrated nearly all of its online PDFs to the IngentaConnect platform. This move allows us to offer the IS&T Digital Library, which contains not only the articles of the *Journal of Imaging Science and Technology* (JIST), but also the following volumes of the Society's Conference Proceedings:

What you get in the IS&T Digital Library:

- JIST 1996-present
- Conference Proceedings:
 - International Conference on Digital Printing Technologies (NIP) and Digital Fabrication 1997-present
 - Archiving Conference 2004-present
 - Color and Imaging Conference (CIC) 1993-present
 - Conference on Colour in Graphics, Imaging, and Vision (CGIV) 2002-2012
 - Technologies for Digital Photo Fulfillment (TDPF) 2007-present

JIST + IS&T Conference Proceedings = 7 times the number of papers at less than 4 times the price. More than 10% savings on three single site subscriptions; add a JIST hardcopy at noted rate
