EI2020 SYMPOSIUM DEMONSTRATION SESSION

The highly-successful, interactive, hands-on demonstration of electronic imaging related hardware, software, and display that took place in 2019 will again be held in 2020. All EI2020 symposium attendees and commercial entities working in the realm of electronic imaging are welcome to apply for space! The EI2020 Demonstration Session represents a unique networking opportunity, a time when attendees can see the latest research in action, compare commercial products, ask questions of technically knowledgeable demonstrators, and even make purchasing decisions about a range of EI products. The Demonstration Session is scheduled to take place over a 1 1/2 hour period.

AUTHOR DEMONSTRATIONS: Space must be reserved for participation in the **2020 Electronic Imaging Demonstration Session**. All EI2020 conference authors may request one complimentary half-table space to demonstrate hardware or software in support of their conference presentation; requests for space must include details on how the demonstration relates to the accepted paper. EI authors may upgrade their table to an 8 x 8-foot space at a cost of \$365 (\$450 after January 8, 2020). **All author requests must be received by January 8, 2020; requests received after that date will be subject to a \$100 fee.** Tables are not transferable and, while we will make every effort to accommodate all demonstrators, are subject to availability.

NON-AUTHOR DEMONSTRATIONS: Non-authors (or EI authors wishing to demonstrate a product not related to their presentation), including individuals, businesses, and companies, may purchase a half-table for \$395 or 8 x 8-foot space for \$620 by January 8, 2020, on a space available basis. After that date, rates increase to \$510 and \$900, respectively. (Please inquire about special exhibit/demonstration session rates.) Space is limited. Priority will be given to speakers and companies in support of technical presentations and assigned on a first come/first served basis. Late requests will be considered only if sufficient space is still available. Please Note: A contract is required for participation and EI reserves the right to impose a no show fee of \$50 for authors and \$200 for non-authors, or those demonstrating as non-authors
