Welcome to London Imaging Meeting 2021 (LIM 2021), which is live online from 20-22 September 2021.

To view a full copy of the programme, please click here.

The event will be held using these platforms: Zoom Meetings (short courses), Zoom Webinar (technical sessions) and Gatherly (posters and networking). We have compiled some guidance notes which you are encouraged to read prior to the event to ensure you have a positive online experience.

20 September
Short Courses

The courses are on Day 1 and will be hosted on Zoom Meeting. Follow the instructions to access the links on the LIM2021 Portal Short Course page. You will also receive an email the day before the class.

Zoom Meetings etiquette: Please adhere to the following Zoom etiquette to enable us all to have an enjoyable meeting.

- Ensure you have downloaded the Zoom app or have tested Zoom in your web browser. You can test your connection at https://zoom.us/test
- If you are new to Zoom, please watch a short video online at https://youtu.be/SMWuRHVNUwA
- Join the meeting 5-10 minutes before the session is due to start. Attendees will be held in the waiting room.
- Input your full name and organisation (abbreviated as necessary) to fit within the 64 characters allowed in Zoom (and if you wish, your preferred pronoun) as your profile name.
- All participants are allowed to share their camera.
- The IOP Conferences team will be online for the duration of the event. If you have any technical issues during the talks, send a private message in Zoom chat button/box or email conferences@iop.org. The team can be identified as they will have IOP as their prefix.
- Keep your audio muted unless you are presenting or invited to speak – if you fail to do so the organizers reserve the right to mute you.
- Since the meeting is online, use the Reaction button in zoom to applaud or like the talk. This shows up as a reaction over-laid on your video.
- We hope it would never to come to this, but the organisers reserve the right to dismiss anyone who is disrupting the meeting. Please refer to the IST Code of Conduct and the IOP Code of Conduct.
- Remember that the sessions are being recorded in their entirety and the recordings will be available on the LIM2021 Portal after the conference.
How to ask a question:

- There will be an opportunity to ask the instructors questions after each course. If you wish to ask your question verbally, virtually 'raise your hand' and wait for the Instructor to invite you to unmute your microphone. Alternatively, type your question in the chat box for the instructor to read out.

**21 and 22 September**

**Technical Sessions and Two-Minute Interactive Poster and Work in Progress Previews**

We will be hosting these sessions on Zoom Webinar. The link will be posted on the LIM2021 Portal. You will also receive the link by email on 20 September.

**Zoom Webinar etiquette:** Please adhere to the following Zoom etiquette to enable us all to have a very successful and enjoyable meeting.

- The platform we are using to host the event is Zoom Webinar, which will look different from a normal Zoom meeting. You can test your connection at https://zoom.us/test.
- Input your full name and organisation (abbreviated as necessary) to fit within the 64 characters allowed in Zoom (and if you wish, your preferred pronoun) as your profile name.
- Attendees will join the webinar in listen only mode and will not be able to share their cameras.
- Join the webinar approximately 5 minutes before the session is due to start. You will be held in the waiting room.
- The IOP Conferences team will be online for the duration of the webinar. If you have any technical issues during the talk, send a private message in Zoom chat button or email conferences@iop.org. The team can be identified as they will have IOP as their prefix.
- The session will be recorded and shared online via the LIM2021 Portal.
- We hope it would never to come to this, but the organisers reserve the right to dismiss anyone who is disrupting the meeting. Please refer to the IST Code of Conduct and the IOP Code of Conduct.

How to ask questions:

At the end of each talk, there will be an opportunity to ask questions. Questions are being managed in the following ways:

- You can virtually raise your hand. The chair for the session will unmute you and invite you to ask your question. Please note that this method should only be used during the designated Q&A session.
- You can also type your questions into the Q&A box. You can post questions throughout the webinar, and up vote or comment on other questions posted. The session chair will make every effort to ask all questions to the speaker at the end, during the allocated Q&A time.

**21 September**

**Poster Session - Gatherly**

The poster session (which follows the poster previews on Zoom Webinar) will be held on Gatherly, from 13:30-14:30 (London) on 21 September. This will be an opportunity for attendees to drop-by
each poster stand and ask the author any questions. It will also be a chance for networking and to socialise with other conference attendees.

NOTE: posters are available for viewing 24/7 on the LIM2021 Portal, click on Libraries and then click on the poster title.

To learn about the platform Gatherly, please read the Gatherly guidelines.

**Link to Gatherly:** [https://lim2021.event.gatherly.io](https://lim2021.event.gatherly.io)

**Time:** Available throughout the technical sessions programme to support all breaks. Live from 10:50 AM (BST) on 21 September thought to 05:30 PM (BST) on 22 September

If you have any questions about the running of the live events, please email conferences@iop.org.

If you have questions about the LIM2021 Portal, please contact registration@imaging.org.

Best wishes,

The IOP Conferences Team
