

Journal of Perceptual Imaging-first (JPI-first)

ARTICLE PROCESSING FEE

In partial support of the publication costs associated with providing your article online in an Open Access format, and as agreed by the authors at the time of submission of the paper, an article processing fee of US\$1,000/article for up to 12 "printed/composed" pages (\$50/page for each additional page) is due by date of publication. Furthermore, at least one author is required to register at 50% off the full registration fee (not student/not one-day) by the early or regular registration deadline to present the paper in person at HVEI or another IS&T conference of your choice. Failure to present your paper will result in being billed for the full symposium/conference rate in addition to the article processing fee. Receipt of this form within 48 hours of receipt of your proof is a prerequisite to further processing of your manuscript for publication.

PLEASE acknowledge the agreement to pay the article processing fees and provide payment information below:
