## TRANSFER OF COPYRIGHT
*Journal of Imaging Science and Technology*

Copyright to the article entitled: _____

_____

by _____

is hereby transferred to the Society for Imaging Science and Technology (IS&T) for the purpose of publication in the *Journal of Imaging Science and Technology (JIST)*. The transfer shall become effective if and when the article is accepted for publication. The following provisions are understood to be part of this agreement:

1. The author(s) make(s) no transfer of any proprietary right, including patent rights, other than the copyright.
2. The transfer of copyright is only to the extent the copyright is transferable in the case of certain government employees.*
3. By transferring the copyright to the Society, the author(s) yield(s) and the Society obtains the right to grant permission to third parties to reprint or translate all or part of the article in research journals or scholarly books. Such third parties must obtain written permission from the Executive Director of the Society.
4. The Society grant(s) the author(s) the right to use all or part of this article in his or their future work—such as talks, press releases, reviews, or reprint books—as long as the original place of publication, in this case the *Journal of Imaging Science and Technology*, is cited.
5. Requests for further information or exceptions should be addressed to the Executive Director.

_____        _____
