Exhibit/Sponsorship Opportunities

Showcase your company + take full advantage of the Symposium technical program. Customize your sponsorship if you don't see a package that works for you.

Type	Amount	What you get
E-booth	$790	• Logo on the front page of the Symposium portal (where attendees access classes and technical sessions) that takes attendee to your e-booth page in which you may place collateral materials (FAQ sheets, links, etc.). • An e-booth within Gather.town, where you may meet attendees and post a video or 1-page flyer promoting your products/services. Gather.town allows attendees to see and talk with each other, similar to Zoom, but in smaller groups and organically. All social events and the poster session will take place in the EI Gather.town. • Acknowledgment via rotating slides shown during the plenary session. • Logo on Symposium website with link back to URL of your choice. • The ability to connect directly with attendees and share information confidentially (GDPR compliant). • The ability to schedule and link to live demonstrations or discussions within the Symposium online program. For example, you may schedule 1-2 technology-focused talks/demonstrations (15-30 minutes) during the course of the Symposium where attendees can learn about your company's knowledge. This becomes an extension of the Symposium's technical program. We have found that live presentations held before, between, or after the technical program work best; we suggest avoiding break times.
E-booth + Registration	$1,150	Same as above + Registration for ONE PERSON.
Literature Distribution	$250	One PDF posted on the Symposium portal for attendees to download.
Conference Donor	$500	Logo on conference website and conference online portal, with link to URL of choice.
